

PRAYER FOR THE REFUGEES OF

Myanmar

P R A Y E R F O R T H E R E F U G E E S O F

Myanmar

Thank you, Lord, for being here with us today, moved by our concern for the people of Myanmar. We bring before you the refugees in the camps and in all the regions where the conflict has sown suffering.

Look with favor, merciful God, at the thousands of people who have been victims of this war, especially those who live with the burden of trauma. Listen to their cries, their despair and their deep pain.

We ask for your comfort for the broken-hearted, your peace for those who bear invisible wounds, and your strength for those who have been devastated by violence.

We pray also for the priests, religious sisters and volunteers, who strive every day to bring hope and healing to the victims.

Guide their efforts, strengthen their patience and increase their compassion. May they be a true reflection of your love in the midst of suffering.

Merciful Father, hear our pleas for peace in Myanmar, for the healing of the hearts of the people.

Guide us to be instruments of your peace and hope, today and always.

Amen.
